

HOW TO SCORE - Missing 1 = Started 2 = Ready 3 = Ready, tested, and maintained

Score the actual condition today. Check the item after you verify it - not because you intend to buy it later.

HOUSEHOLD NAME _____

ASSESSMENT DATE _____

ADULTS / CHILDREN / PETS _____

WATER BASELINE People ____ x 3 days x 1 gallon = ____ gallons minimum

Arizona note: plan more for heat, illness, pregnancy, pets, and additional sanitation needs.

01 WATER & SANITATION

0 1 2 3

☐ At least 1 gallon per person per day for 3 days is stored. ☐ Safe storage, rotation dates, and backup treatment are understood. ☐ Hygiene, waste, and sanitation supplies are accessible. CATEGORY SCORE / 9**02 FOOD & PREPARATION**

0 1 2 3

☐ Three days of shelf-stable food fits household dietary needs. ☐ Manual can opener, utensils, and no-power preparation plan are ready. ☐ Food is dated, rotated, and usable without refrigeration. CATEGORY SCORE / 9**03 POWER & LIGHTING**

0 1 2 3

☐ Working flashlights or headlamps are placed where needed. ☐ Batteries, power banks, and charging cables are tested. ☐ Safe backup power plan accounts for ventilation and fire risk. CATEGORY SCORE / 9**04 MEDICAL & MEDICATIONS**

0 1 2 3

☐ First-aid supplies match likely household needs and are current. ☐ Critical prescriptions and medical information are accessible. ☐ Household members know when to call 911 and basic first-aid priorities. CATEGORY SCORE / 9**PAGE 1 SUBTOTAL**

Add Categories 1-4. Carry this number to Page 2.

 / 36

05 COMMUNICATIONS

0 1 2 3

- ☐ Emergency contacts and an out-of-area contact are written down.
- ☐ Primary, alternate, contingency, and emergency options are identified.
- ☐ Devices, chargers, radios, and notification sources are tested.

CATEGORY SCORE / 9

06 EVACUATION & TRANSPORT

0 1 2 3

- ☐ Two exit routes and one reunification location are selected.
- ☐ Vehicle fuel, keys, maps, and essential go-items are accessible.
- ☐ Plans include children, mobility needs, pets, and transportation limits.

CATEGORY SCORE / 9

07 SHELTER & TEMPERATURE

0 1 2 3

- ☐ A safe shelter-in-place area is identified for likely local hazards.
- ☐ Heat, cold, smoke, and ventilation needs are addressed.
- ☐ Fire extinguishers, alarms, and utility shutoff knowledge are current.

CATEGORY SCORE / 9

08 SECURITY & ACCESS

0 1 2 3

- ☐ Doors, windows, lighting, and access points are checked and maintained.
- ☐ Household members know safe gathering and accountability procedures.
- ☐ Important documents, cash, keys, and backups are protected and accessible.

INTERPRET YOUR RESULT

0-24 BUILD THE BASE

Prioritize water, food, medical needs, light, and a written contact plan.

25-48 CLOSE THE GAPS

Core pieces exist. Complete missing items and test the plan together.

49-72 TEST & MAINTAIN

Run a no-notice drill, rotate supplies, and improve weak categories.

YOUR NEXT THREE ACTIONS Make each action specific, assign an owner, and confirm it when complete.

#	ACTION	OWNER	DUE	VERIFIED
1				
2				
3				

NEXT STEP Review this scorecard with everyone in the household. Re-score after completing your three actions.

Planning references: Ready.gov Emergency Supply Kit (ready.gov/kit) and CDC Emergency Water Supply guidance (cdc.gov/water-emergency). This scorecard supports planning; always follow local officials and call 911 for emergencies.
